### **BIBLE VERSE**

“Finally, my brethren, be strong in the Lord and in the power of His might.”

*Ephesians 6:10*

### **MISSION STATEMENT**

New Life Christian Academy exists to educate, equip, and encourage children to become fully-devoted followers of Jesus Christ.

### **LOGO**

A child shadowed by a soldier

### **PURPOSE**

It is the purpose of New Life Christian Academy (NLCA) to provide a sound, high quality academic program within a Christian environment. This objective is achieved through constant emphasis, which builds on the fundamentals of reading, writing, spelling, arithmetic, science and history. Added emphasis is given to proper development of social behavior and manners.

In addition, the academy’s purpose is to ensure that the salvation message, according to the Gospel of Jesus Christ, is clearly and truthfully presented to each student and that each child has an opportunity to give their heart and life to Jesus Christ as their personal Lord and Savior.

### **NON-DISCRIMINATORY POLICY**

NLCA admits students of any race, color, national, or ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students. It does not discriminate based on race, color, national or ethnic origin in administration of its educational policies, scholarship loan programs, athletic, and other academy administered programs.

### **CHRISTIAN EDUCATION**

The ideals of NLCA are to provide students with a high quality Christian education based upon Biblical values and principles. We believe a student’s education must be more than knowledge of academics. It must include a firm basis for moral conduct, which will strengthen the student’s ideals and responsibilities throughout life. Therefore, teaching children how to stand as strong soldiers of the Lord is central in all of NLCA’s teachings, both in the classroom and on the playground.

### **TEACHING**

NLCA provides sound curriculum and applied skills in a sequential order that is developmentally appropriate. Learning takes place through accountability, relationships, motivation, goal setting, and a caring environment that stimulates learning.

Curriculum selected presents appropriate subject matter for students to develop the skills necessary to progress and become proficient in all subject matters. Materials are taught in a manner suggested by ABEKA, which is created to help students learn, memorize and retain material.

NLCA teachers are responsible for recognizing their student's academic strengths and weaknesses, for understanding a student's unique characteristics and the way in which they learn, and for implementing a variety of techniques that will help meet the student's individual needs. NLCA teachers are expected to demonstrate warm, fair, considerate, and respectful behavior toward all students. They are to encourage and teach students academically, socially, and spiritually by modeling moral maturity and characteristics of Christ through personal relationships not only with students, but also with parents.

## **NLCA OBJECTIVES**

### **Spiritual Growth**

NLCA desires to lead each student to:

- Know that God is their Creator and Sustainer of all things. To accept His Son, Jesus Christ as Lord and Savior, and to help students to be strong as soldiers in the Lord.
- Believe that the Bible is the Word of God, the foundation of our faith, and that God will speak to us through it.
- Turn away from sin and turn to God in belief through prayer, listening when He speaks, and growing in a personal prayer life.
- Be doers of the Word, accepting Christian standards and ideals as a basis for choices and opportunities.
- Adopt a world-view that includes seeing truth, reality, and ethics from a Biblical prospective.

### **Personal Student Growth**

NLCA seeks to build positive concepts in each student by:

- Increasing personal understanding of their physical and mental abilities.
- Encouraging the acceptance of mistakes as a part of the learning process, yet having students assume responsibility for their behavior.
- Helping them build strong relationships with families, teachers, adults and fellow students.

### **Social Growth**

NLCA strives to have each student:

- Demonstrate sensitivity to the similarities and differences of other students.
- Develop abilities to work productively and fairly in group settings, identifying with Christian ethics and values.
- Demonstrate obedience and respect for those in authority in order to achieve optimal group and team goals.

Home, church, and the academy should compliment each other in promoting positive and healthy spiritual, academic, social, emotional, and physical growth for the student. The training and examples in each of these areas should prepare the student for a life of fellowship with God and the ability to carry out God's will in their life.

### **Cultural Awareness**

NLCA aims to teach students:

- The history and culture of the United States, not only from factual documentation, but also from a spiritual viewpoint.
- To understand and value the privilege of being a free citizen.
- To recognize the variety of cultures that makes up America today.
- To appreciate the heritage that is theirs as a "Child of God."
- To understand how we became "One nation under God" and how this right is gradually being removed from our country.

The same laws and regulations govern private schools as public schools regarding attendance policies. Therefore, NLCA has adopted and will enforce the following sections of the California Education Code:

Any pupil subject to full-time education or to compulsory education who is absent from school without valid excuse for three (3) full days in one school year or tardy or absent for more than any thirty (30) minute period during the school day without a valid excuse on three occasions during the school year, or any combination thereof, is a truant and shall be reported to the attendance supervisor or the superintendent of the school district. E.C. 48260

A note from a parent *will not* excuse a tardy or an absence for the above stated reasons. If your child is tardy or absent, please call the school to notify the office. Three unexcused tardies is equivalent to 1 day absent.

**STUDENTS LEAVING THE CLASSROOM**

If there are special circumstances that require your student to leave the classroom at times other than regularly scheduled recesses, it must be stated in writing and will require a doctor's note.

**SCHOOL CLOSURE POLICY**

NLCA will announce any school closures on our school website and on Gradelink via email. Please make sure your email is current in the school office. It is the parent's responsibility to find out if school is in session.

**DROPPING OFF/PICKING UP OR VISITING**

Courtesy and consideration of the law and other students should be observed while on campus. NLCA is a closed campus. Students are to remain on campus from the time they arrive until the end of the school day, unless they are signed out through the office.

**Dropping Off**

- Students may not be dropped off on campus before 7:45 a.m.
- Parents who drop off their child before 7:45 a.m. must sign them in at Daycare, and will be charged accordingly.

**Picking Up**

- If you pick up your child before 3:00 p.m. you must sign them out through the office. If possible, please contact the school in advance. This gives the teacher and student the time needed to go over homework or class work.
- Children will be sent to Daycare when parents do not pick them up by 3:15 p.m. and charged accordingly.
- When picking up your child from Daycare, you must sign them out. Parents will be charged from 3:15 p.m. to 6:30 p.m. each time their child is not signed out. ## MEDICATION

If your child needs to take any medication, including over-the-counter (Tylenol, cough drops, Neosporin, etc.), it is important that a form is filled out and accompanies the medication. Without the proper forms, NLCA will not be able to administer any medication for your child. Forms are available through the office.

- The school shall obtain both a written statement from the physician detailing the name of the medication, method, amount and time schedules by which the medication is to be taken and a written statement from the parent or guardian of the student indicating the desire that the school assist the student in the matters set forth in the statement of the physician. E.C. 49423
- The medication must be brought to school by the parent or guardian.
- The medication must be in the original container with the physician's prescription on the label.
- All medication must be kept and administered in the school office except as allowed by state law.

## DISCIPLINE POLICY

*No discipline seems pleasant at the time, but painful. Later, however, it produces a harvest of righteousness and peace for those who have been trained by it. Hebrews 12:11*

The effectiveness of our discipline policy is greatly dependent upon cooperation between the home and NLCA. We do not expect parents to solve discipline problems alone; likewise, please do not expect NLCA to solve such discipline problems alone. We desire that both NLCA and the home will work together.

Students are required to respect all constituted authorities, including, but not limited to: teachers, principal, and all staff members. High personal standards of courtesy, decency, morality, fairness, and honesty will be encouraged and maintained through wholesome relationships at NLCA, along with respect for real and personal property.

Students must conform to NLCA's rules, regulations, guidelines, procedures, and those provisions of the law, which apply to the conduct of juveniles or minors. NLCA's desire is to have a **bully free** campus. This includes physical or verbal intimidation. We will do what is necessary to make sure your child is safe and enjoys his/her time at school.

*Any action, behavior, or practice, which interferes with another student's right to learn or a right to safety, will not be tolerated.*

## **New Life Christian Academy's Statement of Faith**

- We believe the Bible to be the inspired, only infallible, and authoritative Word of God.
- We believe there is one God, eternally existent in three persons: Father, Son, and Holy Spirit.
- We believe in the deity of our Lord Jesus Christ, His virgin birth, His sinless life, His miracles, His atoning death through His shed blood, His bodily resurrection, His ascension to the right hand of the Father, and His personal return in power and glory.
- We believe in the resurrection of both the saved and the lost; the saved unto the resurrection of life and the lost unto the resurrection of damnation; and that heaven and hell are definite places.
- We believe that for the salvation of the lost and sinful man, regeneration by the Holy Spirit is essential.
- We believe in the spiritual unity of believers in our Lord Jesus Christ.
- We believe in the present ministry of the Holy Spirit, by whose indwelling enables the Christian to live a godly life.
- We do not question our God-given, birth certificate gender, therefore we will not request nor expect to use the opposite genders' restroom.

## **NLCA Employees Lifestyle Statement**

New Life Christian Academy is a religious, nonprofit organization representing Jesus Christ throughout the local community. New Life Christian Academy requires its employees to be born-again Christians, living lives as Christian role models (Rom. 10:9-10, 1Tim 4:12, Luke 6:40). Employees will conduct themselves in a way that will not raise questions regarding their Christian testimonies. A Christian lifestyle should reflect the biblical perspective of integrity, appropriate personal and family relationships, business conduct, and moral behavior. An employee is expected to demonstrate a teachable spirit, an ability to share love for others, a willingness to live contentedly under authority, and a commitment to follow Matthew 18 principle when an issue arises with parents, students, employees or management.

New Life Christian Academy Lifestyle Statement also expects employees to maintain a lifestyle based on biblical standards of moral conduct. Moral misconduct, which violates the bona fide occupational qualifications for employees to be Christian role models, includes, but not limited to, promiscuity and homosexual behavior or any other violation of the unique roles of male and female (Rom, 1:21-27, 1 Cor. 6:9-20). New Life Christian Academy believes that biblical marriage is limited to a covenant relationship between a man and a woman.
