### **BIBLE VERSE**

“Finally, my brethren, be strong in the Lord and in the power of His might.”

*Ephesians 6:10*

### **MISSION STATEMENT**

New Life Christian Academy exists to educate, equip, and encourage children to become fully devoted followers of Jesus Christ.

### **LOGO**

A child shadowed by a soldier

### **PURPOSE**

It is the purpose of New Life Christian Academy (NLCA) to provide a sound, high quality academic program within a Christian environment. This objective is achieved through constant emphasis, which builds on the fundamentals of reading, writing, spelling, arithmetic, science, and history. Added emphasis is given to proper development of social behavior and manners.

In addition, the academy’s purpose is to ensure that the salvation message, according to the Gospel of Jesus Christ, is clearly and truthfully presented to each student and that each child has an opportunity to give their heart and life to Jesus Christ as their personal Lord and Savior.

### **NON-DISCRIMINATORY POLICY**

NLCA admits students of any race, color, national, or ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students. It does not discriminate based on race, color, national or ethnic origin in administration of its educational policies, scholarship loan programs, athletic, and other academy administered programs.

### **CHRISTIAN EDUCATION**

The ideals of NLCA are to provide students with a high-quality Christian education based upon Biblical values and principles. We believe a student’s education must be more than knowledge of academics. It must include a firm basis for moral conduct, which will strengthen the student’s ideals and responsibilities throughout life. Therefore, teaching children how to stand as strong soldiers of the Lord is central in all of NLCA’s teachings, both in the classroom and on the playground.

## TEACHING

NLCA provides sound curriculum and applied skills in a sequential order that is developmentally appropriate. Learning takes place through accountability, relationships, motivation, goal setting, and a caring environment that stimulates learning.

Curriculum selected presents appropriate subject matter for students to develop the skills necessary to progress and become proficient in all subject matters. Materials are taught in a manner suggested by ABEKA, which is created to help students learn, memorize and retain material.

NLCA teachers are responsible for recognizing their student's academic strengths and weaknesses, for understanding a student's unique characteristics and the way in which they learn, and for implementing a variety of techniques that will help meet the student's individual needs. NLCA teachers are expected to demonstrate warm, fair, considerate, and respectful behavior toward all students. They are to encourage and teach students academically, socially, and spiritually by modeling moral maturity and characteristics of Christ through personal relationships not only with students, but also with parents.

## NLCA OBJECTIVES

### **Spiritual Growth**

NLCA desires to lead each student to:

- Know that God is their Creator and Sustainer of all things. To accept His Son, Jesus Christ as Lord and Savior, and to help students to be strong as soldiers in the Lord.
- Believe that the Bible is the Word of God, the foundation of our faith, and that God will speak to us through it.

## DISCIPLINE POLICY

*No discipline seems pleasant at the time, but painful. Later, however, it produces a harvest of righteousness and peace for those who have been trained by it. Hebrews 12:11*

The effectiveness of our discipline policy is greatly dependent upon cooperation between the home and NLCA. We do not expect parents to solve discipline problems alone; likewise, please do not expect NLCA to solve such discipline problems alone. We desire that both NLCA and the home will work together.

Students are required to respect all constituted authorities, including, but not limited to teachers, principal, and all staff members. High personal standards of courtesy, decency, morality, fairness, and honesty will be encouraged and maintained through wholesome relationships at NLCA, along with respect for real and personal property.

Students must conform to NLCA's rules, regulations, guidelines, procedures, and those provisions of the law, which apply to the conduct of juveniles or minors. NLCA's desire is to have a **bully free** campus. This includes physical or verbal intimidation. We will do what is necessary to make sure your child is safe and enjoys his/her time at school.
